

# **Mobilize Your Enterprise Beyond E-mail**

## **Are you looking for new technology, innovative ideas and new opportunities?**

Motorola Good Technology Group is a leader in enterprise wireless handheld computing software and services, delivering critical corporate information to the handhelds users choose, over the networks they prefer. Good Mobile Messaging and Good Mobile Intranet solutions extend enterprise applications - including Microsoft Outlook, Lotus Domino, intranets and certain web-enabled corporate applications - to mobile employees when and where they need them, offering superior security and cradle-free, real-time two-way wireless synchronization.
